“God has spoken to me through this book saying, ‘You are not alone any more!’”

Dragana Subotin

“Find rest, O my soul, in God alone; my hope comes from him.” Psalm 62:5 NIV

“You are my refuge and my shield; I have put my hope in your word.” Psalm 119:114 NIV

“You are pregnant” are shocking, difficult words for many, especially those who have no expectation that life can improve. One can hardly imagine the sense of hopelessness that many women experience hearing such news. Every human being needs to have hope, and a real hope is needed even more by those in personal crisis. The Word of God can help people in any life situation, including women who face the very difficult challenge of an unwanted pregnancy. “But now, Lord, what do I look for? My hope is in you.” *Psalm 39:7 NIV*

Bible verses taken from New Testament, Psalms and Proverbs have given hope for the future to the recipients of a special edition of the scripture fittingly named HOPE FOR THE FUTURE. Please read the testimonies below and notice the power of God’s Word to support people in any life situation. Many came to faith in the Lord Jesus Christ as Savior.

Here are some of testimonies IBS received recently from Serbia:

Pregnancy presents a great challenge in the life of every woman, but if she is not married, she asks, “what to do now?” In this book a woman receives right answers to the questions she is asking. After having read the book, I understood that in whatever situation the woman is to be found, she should always remember that God manifested his love for us on the cross. I responded to the love by receiving salvation in Jesus. He offers the salvation to all people in all of life’s troubles – including me.

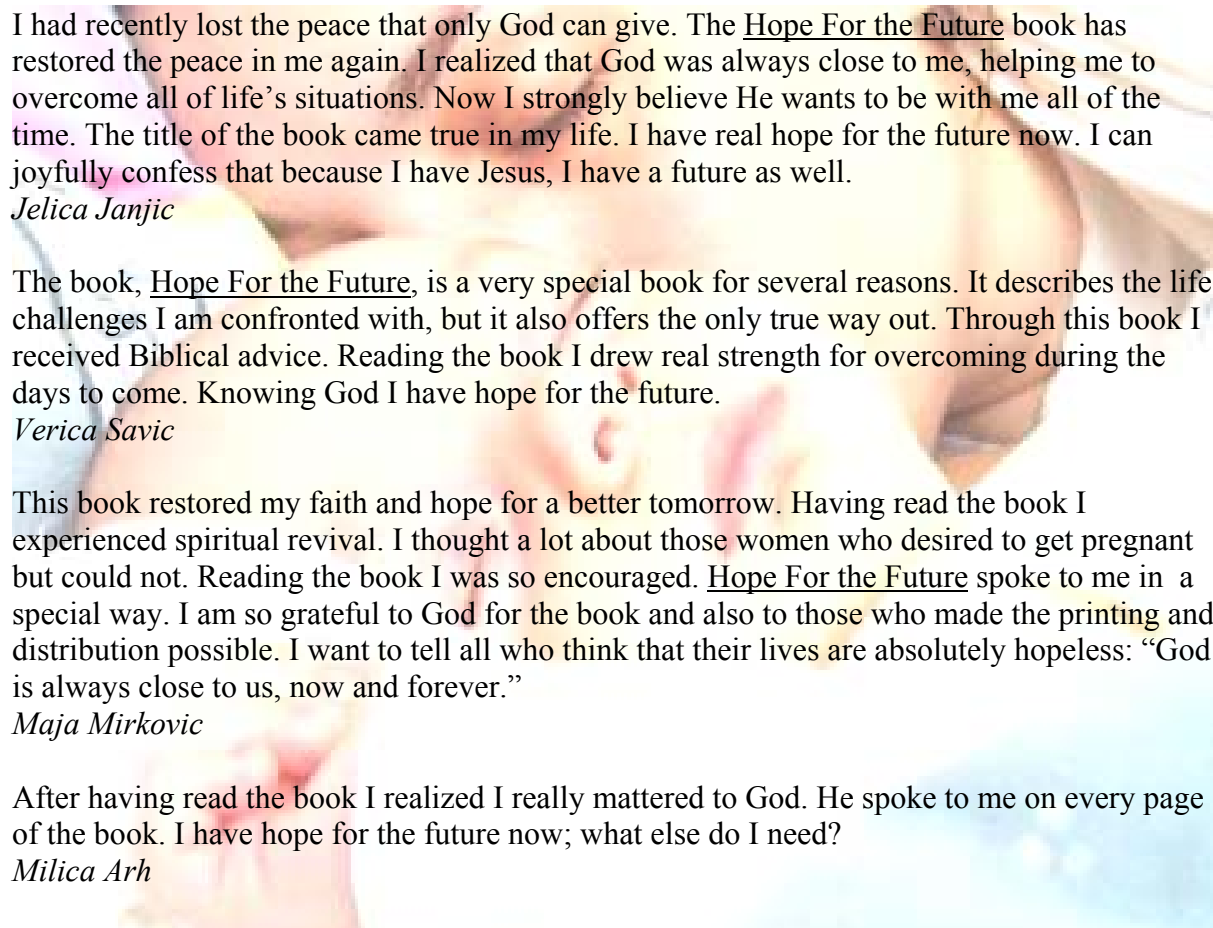

Kristina, mother of two children

I am an actress; I have met many of my colleagues, and they had to face unwanted pregnancies. Having read this book I found my peace and comfort. All I had read I shared with my friend immediately. The book assured me that love and hope really exist, and my favorite Bible verse showing this truth is: “Greater love has no one than this, that he lay down his life for his friends.” [John 15:13 NIV] The message of the verse is helping me to overcome daily troubles.

Ivanka Djuric

The book Hope For the Future is a very educational book. The first word says: HOPE and what is more: the hope has been promised for the future – having a better tomorrow. I realized that God loves me so much regardless of who I am. He wants me to place my hope in him alone, all of the time. God has spoken to me through this book and said, “You are not alone any more!” I am growing in knowing God. He is my HOPE for the future.

I had recently lost the peace that only God can give. The Hope For the Future book has restored the peace in me again. I realized that God was always close to me, helping me to overcome all of life's situations. Now I strongly believe He wants to be with me all of the time. The title of the book came true in my life. I have real hope for the future now. I can joyfully confess that because I have Jesus, I have a future as well.

Jelica Janjic

The book, Hope For the Future, is a very special book for several reasons. It describes the life challenges I am confronted with, but it also offers the only true way out. Through this book I received Biblical advice. Reading the book I drew real strength for overcoming during the days to come. Knowing God I have hope for the future.

Verica Savic

This book restored my faith and hope for a better tomorrow. Having read the book I experienced spiritual revival. I thought a lot about those women who desired to get pregnant but could not. Reading the book I was so encouraged. Hope For the Future spoke to me in a special way. I am so grateful to God for the book and also to those who made the printing and distribution possible. I want to tell all who think that their lives are absolutely hopeless: "God is always close to us, now and forever."

Maja Mirkovic

After having read the book I realized I really mattered to God. He spoke to me on every page of the book. I have hope for the future now; what else do I need?

Milica Arh

The book Hope For the Future left a very deep impression on me. Reading the book I realized that many girls and women had to go through the same life challenge I did. God gave answers to them all so he can give a helping hand to me too. Having confidence in God I have hope for the future.

Sofija Savic

I was greatly encouraged reading the book. It raised hope for my life again. The book gave the answers to the questions I had. God did the job solving my life challenges. I have hope for the future now because God is my HOPE to solve any of life's difficulties.

"Guide me in your truth and teach me, for you are God my Savior, and my hope is in you all day long."
Psalm 25:5 NIV

"The Lord delights in those who fear him, who put their hope in his unfailing love."
Psalm 147:11 NIV

"Put your hope in the Lord, for with the Lord is unfailing love and with him is full redemption."
Psalm 130:7 NIV

Jesus wants all to come to him and receive salvation and hope for the future.
